

International Summer School
“Inequality of educational opportunities: Research and education policy”
Moscow, July 1 - 6

The summer school offers two types of sessions – lectures on selected topics and round tables, where participants are able to shortly present their own projects. Each round table may include up to 8 presentations and their discussion. Each day of the school (including lectures and round tables) is devoted to a separate theme.

Day 1. Sunday (July 1st)

16 Potapovskiy Pereulok, Building 10, room 309

15.00-15.30 Registration

15.30-16.00 Introduction to the Summer school program

16.00-17.00 Cocktail Reception

17.00-19.00 Watching a football match (optional) / Free time

Day 2. Monday (July 2nd) “Inequality of educational opportunities: What do research studies tell us?”
